**REQUEST FOR APPROVAL OF DRAWING CHANGES AND
AMENDMENT TO CONFORM SPECIFICATION TO FORMAL DRAWINGS**

Sir:

Pursuant to 37 C.F.R. § 1.121(a)(3), applicants respectfully request approval for changes to the drawings indicated in red on the attached photocopies of the informal drawings of Figures 8 and 15, and respectfully request entry of the following amendment to conform the specification to the requested changes to the drawings.

I. Request for Approval of Drawing Changes

The changes are made to correct informal Figure 8 to relabel the formal drawings Figures 8a and 8b, to conform to the description in the specification. Upon preparation of the formal drawings, informal Figure 15 had to be spread over two sheets to meet the margin and character size requirements. Therefore, Figure 15 is now Figures 15a and 15b.

Accordingly, an amendment to the application is required to refer to all of the figures and sheets of drawings. Pursuant to 37 C.F.R. § 1.84(u), applicants have amended references to the expanded figures in the specification to correspond to the new numbering. Applicants note that this amendment was not earlier presented because the references to the figures could not be corrected until the formal drawings were prepared.

In the Specification

On page 13, line 23, please delete "7", and insert --7a and 7b-- in place thereof.

On page 13, line 24, please delete "8", and insert --Figures 8a and 8b-- in place thereof.
